ALL PUPPIES ARE SOLD ON LIMITED REGISTRATION

To promote responsible breeding, all of our puppies are sold on a Limited Registration basis. Limited Registration means that the dog is eligible for registration with the American Kennel Club; however, any offspring produced by the dog would not be eligible to be registered with the AKC. This does not mean that the dog is of lesser quality. It just means that they are ineligible to enter conformation shows or produce registered offspring. They are eligible to enter other AKC events such as hunt tests, agility, obedience and rally trials. Most puppies purchased from Justamere Ranch LLC are purchased as companion dogs by owners who have no interest in breeding or showing; therefore, Limited Registration will have no bearing on these dogs and their owner. However, should an owner decide to become involved with showing and/or breeding in the future, Limited Registration can be reversed when certain criteria are met by the dog and owner.

DEPOSIT INFORMATION

A deposit is an agreement to purchase a puppy from a particular litter provided a puppy of the desired sex and color is available. If such a puppy is not available, the deposit can be refunded or it can be applied to a puppy of a different sex or color in the litter or it can be applied to a future litter at the buyer's option. If a puppy of the desired sex and color is available, but the buyer chooses not to finalize the purchase, the deposit is not refundable. We reserve the right not to sell to a particular buyer if there is any question about the buyer's ability to properly care for the puppy. In this case the deposit will be refunded. We also reserve the right to retain one or more puppies in the litter in order to further our breeding program.

Now it is your turn to ask us questions or tell us more about yourself and your family. The more the better!

Thank you for your interest!
